Make Walk-Throughs Meaningful

 EDAppraisal™ is a powerful web-based application that lets teachers and administrators analyze instruction, chart professional growth, and manage improvement with efficiency and ease. Clear and fair classroom observations foster greater dialogue and trust. EDAppraisal™ puts teaching in context and helps manage the actions necessary for teachers to become the very best.

- » “Mobile-ready!” means administrators can input observation data directly via any hand-held device
- » Provides a one-stop, accurate storehouse of all recorded classroom observations
- » Observable categories include: Strategies, Lesson Content, Classroom Management/Organization, Assessment/Progress Monitoring, Bloom’s Taxonomy, and more!
- » Generates charts and reports for observables across all categories and domains
- » Provides annual summative reports as well as observation summaries
- » Allows for teacher self-reporting and peer-to-peer reports
- » Meets Texas’ PDAS Requirements
