

Your Climate Survey & Questionnaire Solution

Don't Monkey Around with your Survey Data!

 Perceptions about school climate impact teacher morale, student achievement and parental involvement. **QuestEd™** is your Climate Survey and Questionnaire solution, making it easy to gather and analyze stakeholder perceptions about your schools and programs. Developed in collaboration with Education for the Future (EFF), a non-profit foundation whose Continuous Student School Improvement model is used by schools nationwide.

QuestEd™ lets you:

- » Generate a host of dynamic, understandable charts and graphs
- » Disaggregate survey data
- » Create and deliver custom questionnaires
- » Effectively analyze open-ended responses
- » View trends across multiple years to identify strengths and challenges

QuestEd™ includes:

- » Fully vetted questionnaires designed by EFF's Dr. Victoria Bernhardt
- » Online hosting and electronic questionnaire delivery
- » Data analysis tools and scanning services
- » Spanish language versions of questionnaires for parents and students
