

SchoolCHARTS is a **FREE** statewide assessment and accountability charting system. It provides instant access to hundreds of charts illustrating assessment results for every school and district in your state! SchoolCHARTS™ is ideal for longitudinal analysis, improvement planning, accountability reporting and communication. It can be used alone or integrated with SchoolCity's STARS™ product. Visit www.schoolcity.com to see a list of states available.

SchoolCHARTS™ lets you:

- » Compare school results with district, county and state
- » View trends across multiple years to identify strengths and challenges
- » 'Drag and Drop' charts into PowerPoint for presentations
- » Use data and import charts to prepare improvement plans and accountability reports

SchoolCHARTS™ Includes:

- » All State and Federal accountability results
- » Over 200 beautifully formatted, color charts for each district
- » Statewide, pre-loaded data ready for you NOW
- » 5+ years of assessment results
- » Periodic, automatic updates

Let SchoolCity be a part of your success story
