

# Single Plan & Accountability Report Card Suite

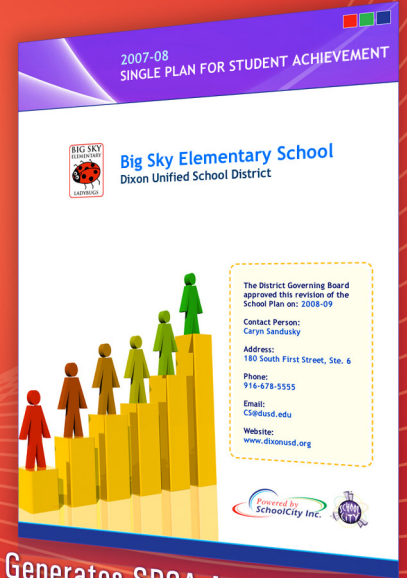

*Continuous Improvement: Start the Fire with SPARCS*

Improved, Easily Customizable Design

Intuitive, Easy-to-Navigate Platform

Generates SPSA Action Reports & SARC/SPSA Executive Summaries

**SPARCS™** is a web-based application giving site councils and school leaders the tools they need for examining past achievement trends, setting clear goals, and allocating resources appropriately. With its dynamic interface, **SPARCS™** walks users through the planning, implementation, and monitoring of school goals and associated budgets.

- » Displays pre-loaded school, district, and state data with automatic updates throughout the year
- » Allows District personnel a birds'-eye view of SPSA implementation status
- » Accessible anytime and anywhere through a web browser
- » Includes a portfolio of site and district specific data charts and tables for analysis and use in both the SARC and SPSA
- » Includes a U.S. and CA Department of Education online Resource Library for linking goals with scientifically focused research and best practices
- » Features streamlined budget reporting with automatically appended funding source codes and easy-to-read allocation pages
- » Allows for user interactivity via an exclusive Editor Comments feature
